Oxford University and Oxford University Canoe and Kayak Club (hereafter OUCKC), recognise that canoeing and kayaking are, by their very nature, potentially dangerous activities. By joining OUCKC I recognise and accept the risks of injury or death inherent in the sport. I am over 18 years of age. I have read and agree to abide by the OUCKC code of practice.

Membership of OUCKC is at the absolute discretion of the committee and may be removed at any time if it is felt that an individuals actions endanger him/herself or any other OUCKC member.

By signing this document I acknowledge that I have read and understood the above conditions.

If you are an **experienced** white water paddler who might canoe grade 4 water and above please read the following and sign to say you understand and agree.

In my opinion I have sufficient canoeing experience to recognise grade 5 water and I understand the dangers of canoeing it. I understand that canoeing grade 5 water is not a club activity and that if I wish to paddle grade 5 it is my responsibility to make a personal assessment of the risks involved. I accept full personal responsibility for my own actions and safety and in the event of an accident or death no legal action will be taken by myself or my representatives against the club, the university or any other individual.
